Recommendation

Mr Alexander von Gosztony,, born on the 7th of May 1980 in Madrid, Spain, participated in the lecture business law during the winter- and summersemester 2002 / 2003 at the International School of Management in Dortmund, Germany. Throughout his studies I got to know him as a motivated and hard-working student. He has an ability to solve analytical problems quickly. Through his contributions he showed that he is able to comprehend legal problems.

The subscriber gives his recommendation and hopes that he will find the opportunity to show his skills.
